Twelve employed Turn Restaurant Into Temporary Lunch Counters

NO ESCAPES—THREATEN FILL JAILS TO DOORS

All Plead Guilty—Ten Get 30 Days, Others Two Months.

The leaders of the I.W.W. refuse to discuss the arrest of the dozen men who were taken in last night by the police for refusing to pay for their meals at three local restaurants. When asked what they intended to do about it, they simply stated that they had nothing to say.

All 12 of the men arrested last night pleaded guilty to the charge of obtaining meals by fraud. Two were sentenced to two months and 10 to 30 days hard labor. The reason that two received heavier sentences was on account of the fact that when arrested and searched at the police station some money was found in their pockets more than enough to pay for the meals which they had eaten. The other men had no other excuse to put up other than that they had not partaken of any food for two or three days. With the exception of one or two they all appeared in the best of condition and did not at all resemble a half starved crew.

The I.W.W. are holding a meeting this afternoon in the market square which will be followed by a parade. The threat was made yesterday afternoon by members of the I.W.W. as published in yesterday's Capital that they would walk into restaurants eat their fill and then walk out without paying and if any were arrested by the police, it would continue until the cells were over-flowing and then they would continue to bring them into the city from outside points in an effort to show the police that it was useless to arrest them as they would only get twice as many more to take their places.

The 12 arrested and sentenced are all foreigners and it is said that they have been but a short time in the city. Their names are as follows: John Parnich, Mike Dermitt, Jack Witmer, Thomas Halbach, August Werner, Nick Landis, P. Habbert, Harry Schwach, Mike Holschick, Alex Rawling, Bill Greck and Tony Hanyak.

Thomas Halbach and Jack Witmer are the men who received the two month's sentences.

EARL GREY SUFFERS FROM COLD RECEIVED WHILE ON TRAVELS

Winnipeg, May 20.—Earl Grey, ex-governor of Canada, is in the city here this morning from the west suffering from a chill contracted during his trip. His private secretary said that his lordship was unable to see anyone, and an invitation to government was extended by Count de Grey, private secretary to Lieutenant-Governor Sir Douglas Cameron, was declined with regret. Earl Grey, who is accompanied by the countess, leaving his private car, went straight to his room in the Royal Alexandra hotel. The Earl and Countess Grey have tonight for Toronto, en route to Ottawa on a visit to H.R.H. the Duke of Connaught.

AMERICAN OFFICIALS DOUBTFUL WHETHER SILLMAN RELEASED

Washington, D.C., May 20.—Anxiety among officials here over the inability to get definite word from American Consul John Sillman who was reported released from prison at Salt Lake more than a week ago, aroused the state department to renewed activity last night in the missing American's behalf.

Evidencing his own apprehension, Secretary of State Bryan telegraphed to American consul Hanna at Montevideo asking if it would be feasible to send a messenger to Salt Lake to determine if Sillman ever had been released.

Take Charge of Citadel.

Captain and Mrs. V. Thompson of Toronto arrived in the city this morning and will at once take charge of the Salvation Army Citadel No. 2, south side. Captain Thompson has just completed a course at the Toronto headquarters and comes to Edmonton with considerable enthusiasm for his work. He is a friend of Captain Pryde who arrived in this city a short time ago, and upon his arrival was up the river as "metropole" on Fraser avenue.

SEIZURE OF FURS MAY COST COMPANY FINES TOTALING TO \$125,000

St. William, Ont., May 20.—One of the largest fur seizures ever made by the provincial police in Western Ontario is that in which 424 beaver, 86 otter and 1424 muskrat pelts were taken yesterday, from Duzen Bay point at Long Lake about 100 miles from Jack Fish, the nearest railway point.

As a result of the raid the company stands to lose upwards of \$125,000. The maximum fine now being in possession of one raw beaver or other skin is \$100 for each offense and a fine of \$50 may be imposed for every raw muskrat pelt found. The furs, valued at close to \$10,000 may be confiscated.

EDMONTON GIRL TO FAVOR WITH SOLO

Two Distinguished Eastern Canadians Will Distribute Harmony About.

No material things like soil, agriculture, livestock, live stock, cattle, pigs, chickens and so on will disturb the minds of the members of the Edmonton Industrial association or their friends who take in tomorrow noon's luncheon in the Empire auditorium.

Neither will the world's question of union stock yards be once more injected into the middle of the luncheon, no matter how important it may be. Those who attend tomorrow will not be asked to eat, because there is to be music, music and "musical" half-chance which soothes the savage breast.

This is musical week for Edmonton and tomorrow will be musical day for the live wire association. Nothing of a commercial nature will find a place on the bill of fare, but those who are there at 12 o'clock will be offered something unusual in the musical world.

Miss Penelope Davies, a well-known Edmonton girl, will render a solo, Miss Davies has a pleasing personality and a splendid contralto voice, and besides is the daughter of a member of the association. She has secured recognition of her mean order in New York and other eastern cities and will not doubt receive a warm welcome tomorrow, on her first appearance since her return to the city.

Dr. C. S. Vogt, conductor of the world famous Mendelssohn orchestra, and W. H. Hewlett, organist of the Dominion Methodist church of Hamilton, will also lend a musical air to the occasion. These two men, who are in Edmonton this week, acting as judges in the triennial of the Alberta Musical festival, will speak on the development of the west along musical lines.

As it is musical day, the ladies should turn out as never before. Anyone may attend, whether members of the association or not.

CONFESSION MADE BY "DAGO FRANK" WON'T BE HELP TO BECKER

New York, May 20.—The confession that "Dago Frank" Crofted made an hour before he went to the electric chair at Sing Sing will not help Charles Becker in his fight to prove his innocence of the murder of Herman Rosenthal.

The supreme court, before which Becker is on trial for the second time, refused today to admit testimony dealing with the confession of "Dago Frank," before he died, swearing he had never heard the name of Becker mentioned until Rosenthal had been killed.

The defense had planned to place upon the stand the sister of the dead gunman, the priest who accompanied him to the chair, the warden and the principal keeper at Sing Sing, to testify to the authenticity of the confession, but justice ruled against their intention. Becker became white when he heard the ruling.

The court held that evidence pertaining to the confession was not admissible because it was a confession that occurred after the murder.

CIVIL SERVICE BILL TO COME DOWN SOON

Laurier Points Out That Not One Day's Delay Necessary.

Ottawa, May 20.—Smoke from the forest fire which surrounded the capital here heavily in the house of commons chamber this morning, but did not interfere with the prompt consideration of business.

Hon. Frank Oliver drew attention to the fact that a party of Hindus from India will shortly arrive on the Pacific coast. He asked the government to inform the house as to the nature of the instructions which had been issued to the immigration officials in regard to these immigrants. Premier Borden stated that he was unaware of the movement as to the nature of any orders given but it could be assumed that the laws and regulations would be applied.

Hon. Rodolphe Lemieux asked when the civil service bill would be introduced—just as soon as the order paper will permit," said Mr. White. "It permits it every day," observed Sir Wilfrid Laurier.

Mr. White said that while it might be so, there was pressing legislation before the house. "Just a formal introduction, I presume," remarked Hon. Geo. P. Graham.

Mr. White did not reply.

IPSWICH CONTEST VERY BOISTEROUS

GOOD HUMORED

Even Militant Suffragettes flee From Platforms For Their Lives.

MASTERMAN CHAMPION NATIONAL INSURANCE

London, May 20.—The Blues and Buffs in the hotly contested Ipswich bye-election, polling for which takes place next Saturday, in not a few cases are enforcing political arguments which accompany whacks on the head or punches in the eye.

The suffragettes, who announced loudly their intention of taking a prominent part in the contest, having been forced to fly for their lives whenever they have appeared. The campaign, however, though boisterous, is perfectly good humored.

F. Masterman, the cabinet minister, has been forsaken by William Prety, ex-president of local liberal caucus, to whom the National Insurance act, which Masterman announces in his address as his strongest rope, is anathema.

Masterman came to Ipswich a complete stranger, whereas S. Jack Gansell, the unionist candidate, has been stumping the country for several weeks.

Unionists retort that Masterman is merely a wandering Jew, who has come to Ipswich to break the back of the Green or any other constituency would receive him.

JUSTICE SCOTT TAKES BENCH OFFICIALS ALONG

An unusual proceeding was taken by the supreme court today. In connection with the case of Robert McLaughlin against Orlando Bush, one of the witnesses is John A. P. McDougall, a conductor in the employ of the street railway department. McDougall has been ill for some time and in order that his evidence might be taken the court adjourned to McDougall's home at 1229 Ottawa avenue.

Hon. Justice Scott presided at this court held in the sitting room of the McDougall home and court clerk, stenographer, and barkeepers were all present. The evidence of Mr. McDougall bearing on the accident in question was taken and Mr. McDougall cross-examined for the defense.

The claim brought by Magas, a locomotive fireman, is for \$1,000 damages. He alleges that the defendant, Bush, driving an auto up McDougall hill on August 6 last year, ran him down, rendering him unconscious and causing him severe injuries. N. D. Munn and all those present being very considerate.

Alberta's Credit Likely to Be Damaged by Actions of Illegal Concerns.

EXCITEMENT OVER THE DISCOVERIES CONTINUES

Something Like Thirty Places in This City Now Doing Rushing Business.

Like Mushrooms which grow over night, and resembling the famous real estate boom of three years ago, oil offices have sprung into being during the last 24 hours so rapidly and so numerous that Jasper avenue and First street in the downtown districts resemble the business streets of Calgary and bring visions of fortunes to be made. Something like 30 offices are now doing a rushing business in oil.

So far prices on all stocks are soaring.

From all appearances there will be nearer a hundred of these oil offices doing business before the week-end. Enormous prices are being offered merchants and store-keepers for their window space for advertising and selling purposes. \$100, \$150 and \$200 per week are some of the offers that have been made for some of these. Price is no object, the location is right. Street location is of course the best and much in demand. Halfway, downtown and alley are being used as selling booths.

Many advertising schemes are in use. Oil in bottles, oil in jars, burning oil, miniature derricks, scare-boards on the Calgary newspapers and pictures of the wells themselves and the men working them, all are used with the one end in view, namely, to sell stock and raise sufficient funds, that many of these companies, now in native only, may commence drilling operations.

Money is Pouring in.

Thousands of dollars in fees for company organization are being poured into the office of the provincial registrar of companies, by the promoters of oil concerns in Calgary. Right now companies asked for incorporation under the Joint Stock Companies act today and 24 have applied for incorporation since the beginning of the week. Some of these companies are paying as high as \$25 each for registration fees.

The long distance phone between Calgary and the provincial secretary's office is kept busy by the oil men forming new companies.

Since the beginning of the week the following companies, with a share capitalization of over sixteen and a half million dollars, registered with the provincial secretary:

Union Pacific Oil Co., Ltd.	\$1,000,000
Alberta Pacific Oil Co., Ltd.	500,000
Morrisey Oil & Coal Co., Ltd.	1,000,000
Black Diamond No. 1, Ltd.	1,000,000
Western Petroleum Co., Ltd.	1,000,000
Oxtokos Oil, Ltd.	1,000,000
Orbit Oil and Gas Co., Ltd.	1,000,000
Alberta Commercial Oil and Development Co., Ltd.	250,000
Alberta Drilling Co., Ltd.	1,000,000
Alberta Oil Exchange, Ltd.	10,000
Rocky Mountain Oil Co., Ltd.	1,000,000
Imperial Oil Co., Ltd.	300,000
Panagon Oil Co., Ltd.	1,000,000
Brooks Petroleum Products Co., Ltd.	1,000,000
Moore Mountain Oil Co., Ltd.	500,000
Stocks-Stephens Oil Co., Ltd.	1,000,000
Success Oil and Gas Co., Ltd.	1,000,000
Commercial Oil and Gas Co., Ltd.	1,000,000
Security Oils, Ltd.	1,000,000

At least one company now operating in Edmonton for the sale of Calgary oil stock is operating illegally, no prospect or statement of property having been filed at the office of the provincial registrar. Buyers are warned against dealing with companies which have not completed their registration. The provincial registrar has information as to the standing of the companies will be supplied free on application to the registrar at the parliament buildings.

Still Crazy in Calgary (special to Capital)

Calgary, Alta., May 20.—Excitement over the oil discoveries continues. Another gusher occurred in the Dugman well yesterday. It had the effect of boosting the stock prices all round. Wet gas continues to be encountered in the Monarch well west of oils. The people are still crazy about stocks and hundreds of thousands of dollars have been taken out of the banks by the little fellows transferred to the big fellows and back into the banks again.

Some of this money will be wasted as it will not be used for drilling purposes, but a movement is being made to petition the government to step in.

## BAD CHARACTER ARRESTED AFTER REVOLVER FIGHT

Bullet From Gun of "Tony, the Dago," Escaped Convict, Grazes Detective's Ear But Latter Effects Capture—Seen Breaking Into Shack.

"Tony the Dago," alias Fritz Brande, an ex-convict, escaped prisoner and generally notorious character, was arrested last evening about seven o'clock on the brow of Strathcona hill by Detective Ed. Moore of the city force. He is now in custody and will probably be charged in police court today with housebreaking and other crimes.

The arrest was a sensational and spectacular one. Detective Moore, with Detective Charles Lancey, left the police station in an auto shortly after six o'clock in the evening, having received reports by phone from a store on Strathcona hill to the effect that a man had been seen breaking into a shack, which, by the way, had been broken into several times before.

On arriving at the hill, Detective Moore noticed Brande hiding in the bushes, and walked toward him. When Tony saw this, he fired his revolver at the officer without any warning. The detective had lost his own revolver

while climbing up the hill through the bushes. The bullet from Tony's gun came within an ace of killing Moore on the spot, as it just grazed his ear. Before Tony had a chance to fire again, however, the officer was upon him, and in a few moments had him under control and on the way to the station, where he is held and where he will be tried on several charges probably.

Several blankets and other articles are missing from the shack into which the prisoner broke. This shack is owned by a young man who works down town during the day, and several times recently it has been the object of raids.

When the prisoner appeared before Magistrate Massie this morning on a charge of house-breaking, he was remanded until the end of the week. It is also likely that a charge of shooting with intent will be brought against him, when he appears in the police court again.

## SITUATION COOKING RAPIDLY TO HEAD OF AMERICAN WAR

Well Defined Rumors of Early Organized Effort to Unseat Huerta.

FEDERALS REPORTED DEFEATED BY VILLA

Everything Points to Elimination of Constitutional Leader.

"Veracruz, May 20.—The American soldiers and the residents of Veracruz, native and foreign, continue to show the keenest interest in the reports from the capital of Mexico.

It is the only remedy that draws out all the poisonous exhalations which puff up the face. 'TIZ' is magical; 'TIZ' is grand; 'TIZ' will cure your foot troubles so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired. Think of it, no more foot misery; no more burning corns, callouses or bunions.

Get a 25 cent box at any drug store or department store, and get instant relief. Get a whole year's foot relief for only 25 cents. Think of it!"

German, who have arrived from Puebla, report that apprehension of a Zapatista victory there was greater than in the capital. Many foreign owners of big stores in Puebla have closed their doors and are leaving in haste with the German capital.

At Veracruz City, the capture of Tampico by the constitutionalists has been admitted by the government newspapers but they declare that this was accomplished with the assistance of American marines.

Former Minister Guadalupe. Vera Cruz, May 20.—Dr. Urrutia, former minister of the interior, who arrived here Monday, is proving a proponent for the American cause. He remained at the hotel last night, with guests in front of his door and on the street. He is a man of high position and able action by his enemies.

General Funston is undecided as to what disposition to make of Urrutia, pending the sailing of the steamer Tampico, on which he will doubtless leave for the States. Neither the ex-minister nor any member of his family leave the hotel, preferring to take their meals in private. He is the object of curiosity on the part of the Americans, and violence, perhaps, at the hands of the Mexicans.

It is learned that there was a well-defined plan on the part of a group of Mexicans to attack him Monday evening, but the leaders in the conspiracy were discouraged by an American acquaintance who warned them as to what they might expect, should such an attempt be made.

Archbishop Driven Out. Vera Cruz, May 20.—Archbishop Mora y Del Rio was driven out of Mexico City by Huerta, according to information reaching here. The archbishop, so the story goes, sought an interview with Huerta, which was at first refused, but later granted upon the representation that the bishop had a communication from the pope.

The communication, it is said, proved to be a suggestion that Huerta resign. The archbishop, however, refused to do so, and Huerta, in reply, dispassionately, making no reply. On the following day, however, a messenger came to the archbishop with a warning from Huerta that he would do well to leave the country.

Refugees Flee. Mexico City, May 20.—Despatches from Guadalupe report the arrival of trains with hundreds of refugees. The town is in the midst of a resist attack by the constitutionalists. General Acevedo, who was appointed postmaster of the capital six months ago by the minister of the interior, Señor Lozano, resigned yesterday.

Another Resignation. Mexico City, May 20.—The situation in the capital is considered very serious and it is feared that a rising will occur within a few days. The resignation of the minister of communications, José Lozano, has been accepted, but his successor has not been named.

The telegraph wires to San Luis Potosí have been cut and it is believed that the federals have been defeated. The rebels, it is reported, are about to attack Guadalupe, the capital of the state of Jalisco. There is great distress among the poor of the Mexican capital, and the rich families are distributing free meals daily.

Villa Gains Victory. El Paso, May 20.—Francisco Villa has defeated a Federal force of 5,000 men at Parron, according to a message received here. The victory was from the acting minister of foreign relations in Carranza's cabinet. The date of the engagement was not given.

According to the message the federals suffered a severe loss in killed and wounded, and it was said that two federal generals were among those killed. The message stated that Gen. Villa had captured 800 prisoners, several machine guns, 60,000 rounds of ammunition, and a large quantity of military supplies.

## COUNCIL REFUSES DO BUSINESS TIL MAYOR EXPLAINS

Driscoll, May, Sheppard, Douglas and Clarke, Cause Adjournment.

EAST PUTS UP HAND, THOUGH HAD NO VOTE

Kinney Goes Against the Action, and Smith Does Not Express Any Desire.

At last night's regular meeting of the city council Aldermen Driscoll, May, Sheppard, Douglas and Clarke voted to not sit as a board until the mayor has given an explanation of the statements that were made by him to a representative of the Capital and published last Saturday. For this purpose a meeting was called for next Friday night.

After the minutes of the last regular meeting and the adjourned meeting were read the council took exactly three minutes to dissolve.

As soon as the minutes were read and adopted Alderman Driscoll rose and said:

"Before proceeding to the regular order of business I wish to rise to a question of privilege. Owing to the most damaging and extraordinary statements made by the mayor, or rather alleged to have been made, 'he is protecting the citizens against a range of wolves after the city council, I forget all of it. In view of the circumstances there is somebody under a cloud, either the commission board or this council. I would not care to take part in any city business until a satisfactory statement has been made by the mayor and I would, there-

fore, move that the Council now adjourn until Friday night."

"I am going to second the motion," stated Alderman May. "I feel very much about it as Alderman Driscoll does, and I feel that until the mayor has made some explanation I do not care to sit again here."

"It would not be just to assume that this is just so," said Alderman Driscoll. "I do not know whether it is true or not," replied Alderman Driscoll.

The motion was put and resulted in the above adjournment until Friday night. It is expected that Mayor McNamee will have returned from his trip to Calgary. Alderman Kinney voted against the motion and all the other members of the council. Deputy Mayor East raised his hand apparently in disapproval of the majority action. Mayor McNamee did not hold up his hand and apparently did not care what was done.

Alfred Calder and Campbell were absent.

The mayor left for Calgary last Monday night and is expected to return tomorrow.

A large number of the paving contractors were in attendance and were evidently hoping for some solution to the paving question.

The following is a reproduction of the statements which Mayor McNamee made at the meeting:

## BELIEVED FELIX DIAZ HIDING IN TORONTO HOTEL

Nephew of Former Dictator of Mexican Republic Seeking Seclusion.

CAME WITH MEXICAN PARTY FROM NIAGARA

Use Back Door of Hotel and Enjoin Strictest Secrecy on Staff.

Toronto, May 20.—There is every reason to believe that Toronto is at present harboring Felix Diaz, a man well known in the Mexican troubles of the past two or three years, and a nephew of the former president and dictator of the republic, Porfirio Diaz. From information obtained from a reliable source it is ascertained that Felix Diaz is a guest at the Westminster Hotel, 244 Jarvis street, where, with six other Mexicans, he is living in the utmost seclusion. The party was at Niagara Falls, N.Y., on Sunday, and came to Toronto Monday morning, registering at this private hotel simply as "August Del Rio and party."

Their movements have been completely obscured, and it was only on advice from Niagara Falls last night that the party were finally located at the Westminster. The leader of the party, when interrogated, declined to admit the presence of Mr. Diaz, and also refused to discuss the personnel of the party. A member of the group bore a distinct resemblance to published pictures of Diaz. It is significant of the secrecy of their movements that they entered the hotel by the rear door. They also have insisted every where on the hotel staff.

Senior Del Rio, the apparent agent of the party, has been in and out of Toronto several times during the past three weeks, but returned Monday night to the other members of his party.

## GERMAN SOCIALISTS IN PARLIAMENT DO NOT CHEER EMPEROR

Berlin, May 20.—Scenes of great confusion and uproar marked the closing session of the German imperial parliament today. The members of the socialist party, instead of retiring from the chamber before the usual cheers for the emperor, vent their anger, remained and kept their seats from which they refused to rise.

Speaker Johannes Kaempf immediately called attention to this breach of respect to the emperor upon which the socialists shouted, "that is our affair," and tried to cheer the cheers with hoots and hisses. These were answered by tumultuous applause from the other parties.

The government's petroleum monopoly bill was not brought up for debate and therefore falls through.

## INSURRECTION AGAINST PRINCE WILLIAM, ALBANIA

Essad Pasha Starts Revolt, Firing First Shot Himself at Prince's Palace.

IS NOW PRISONER ON AUSTRIAN WARSHIP

Austrian and Italian Crews are Guarding the Royal Residence.

Vienna, May 20.—A serious situation has arisen in Albania where by the life of the new ruler, Prince William, has been endangered. According to dispatches to the Neue Freie Presse, Essad Pasha had an audience with Prince William on Monday afternoon and tendered his resignation as governor. Essad Pasha had 8,000 adherents in his residence and 6,000 in Durazzo. They started a revolt on Tuesday, Essad himself firing the first shot against the Prince's palace.

The prince thereupon appealed to the commander of the Italian and Austrian warships. They landed detachments who set up machine guns in front of Essad Pasha's house. The Turkish commander then asked permission to be allowed to go aboard an Italian warship. This was refused and he was arrested and placed aboard the Austrian warship Selgetur, as the prince's prisoner. According to other reports Prince William discovered a fortnight ago secret plans which had been drawn up by Essad Pasha and ordered him to disarm his bodyguard. Essad Pasha refused whereupon royal Albanian gendarmes commanded by Dutch officers, attacked his residence arrested him and turned him over to the Austrian commander. Five hundred from the Austrian and Italian warships are guarding the prince's palace.

## MILITANT SUFFRAGETTES START GREAT BRUSH FIRE NEAR KING AND QUEEN

Albanshot, Eng., May 20.—A great brush fire, declared by the authorities to have been the work of militant suffragettes, occurred today at the royal pavilion in Long Valley, where King George and Queen Mary are in residence in the center of a great army of British troops. The entire camp was aroused before daybreak. Several battalions of infantry and regiments of cavalry turned out to fight the flames. Suffragettes have shown great activity in the neighborhood since the king and queen arrived here. As their majesties left the royal pavilion today two women dashed in front of their carriage waving a banner with the words "Votes for Women."

## LICENSE BOARD CONSIDERS 330 APPLICATIONS

Number of Licenses in Province Shows Increase of 30 for Year.

GENERAL TIGHTENING UP ON LICENSE ORDINANCE

Baruff Hotels Will Be Inspected for Safety in Regard to Fire Precautions.

The provincial license board has just completed its annual survey of the licenses of the province, in the course of which stilling have been held in numerous centers and 330 licenses have been considered. Ten licenses have been renewed and the board and in four cases the board renewed licenses for three months only. In other cases the board recommended renewal of licenses on the understanding that the licensees were to be transferred to parties satisfactory to the department. A number of licenses were renewed subject to the carrying out of improvements suggested by the board's inspectors.

Tightening Strings

The board has shown a disposition to tighten the strings in regard to the observance of the liquor license ordinance and infractions will meet with suspension and cancellation unless there is immediate improvement. The board is also desirous of keeping up the standard of convenience afforded to the traveling public and it is to this end that the board made the carrying out of improvements a necessary condition to the renewal of a number of licenses.

Are Banff Hotels Safe

The hotels in Banff National Park are all renewed subject to final inspection. Chief License Inspector Porter made arrangements while in Calgary on Monday with the chief of the Calgary Fire Department to inspect all the Banff Hotels with regard to their safety in the matter of exits and fire protection. Fire Chief Martin will make an inspection in company with Inspector Keckhoe.

Three wholesale licenses in Lethbridge were recommended for three months only. Strong representations that there is no necessity for these licenses were made to the board.

## BIG BATCH BENCH WARRANTS OUT FOR ALLEGED GAMBLERS

Fifty-nine warrants will be issued during the next 24 hours for alleged gamblers caught in the first street raid last Sunday morning and who refused to turn up either yesterday afternoon or this morning in the police court where the cases are being tried. Seventeen of the gamblers were present yesterday afternoon and were fined ten dollars and costs each. H. A. Mackay, who appeared for the group, asked the magistrate if he would give the rest a chance until this morning to appear before issuing a bench warrant. His worship consented to do so but when the cases were called this morning only one answered, as a result of which the warrants are now being issued. It has been learned by the police that a number have left town but there still are a number who are in the city as their homes are here.

## INSURANCE NOT ALL EASY MONEY SAYS NICOLSON

Deputy Superintendent Says Misapprehension Caused by Recent Figures.

LOSSES AS WELL AS PROFITS ARE MADE

Four Out of Ten Hail Companies Lost Money on Year's Operations.

R. L. Nicolson, deputy superintendent of the government insurance department for Alberta stated today, on his return from the convention of insurance superintendents at Calgary, that some misapprehension appeared to have been caused by the recent publication of the figures showing the premiums and losses of insurance companies operating in Alberta. There was a prevalent opinion that immense profits were being made by these companies, whereas this was not so. As a matter of fact only a few companies doing business in the province lost money on last year's operations in Alberta.

Operation Charges

Fire insurance companies need a margin of thirty per cent. of premiums over and above the losses in order to meet operating expenses. In addition to this they have to set aside a sum as a reserve to meet extraordinary contingencies which are always a possibility in the fire insurance business.

The same applies to hail insurance companies, but the latter also do a large note business. In this way they have to take considerable risk, a farmer giving his note for the premium and promising to pay when the crop fails. These companies have a considerable loss annually on account of uncollectible notes.

Four Lost Money

Four out of ten hail insurance companies doing business in Alberta last year had a margin of less than ten per cent. between premiums and losses and in view of the cost of operation these companies were actually working at a loss.

Mr. Nicolson stated that a further meeting of insurance superintendents would be held at Regina in September, when the final recommendations will be made to the governments of the four western provinces regarding proposed amendments to the insurance acts with the object of bringing about unification as far as possible.

and regulate the companies so that wildcats may not fleece the public. A lot of outside money is coming in but it is principally going into the big companies that are either drilling or are about to drill.

W. Edman, who went out with a warning to the public to investigate before buying as he considers that Alberta's credit is liable to be endangered by wildcatting.

Some companies are putting stock on the market before they have secured incorporation papers and the government may take action to check their activities is reported.

New companies are being formed on every hand and leases are changing hands at big figures.

Whisper, May 20.—There will be no Calgary oil stocks of the wildcat speculative kind sold in Manitoba, Judge Robson, public utilities commissioner, has refused stock brokers, who rushed down from Calgary, permission to peddle their stocks in this city or province. His sole aim is to protect the public.

There will be no oil stocks of any kind sold in Manitoba until the corporations who wish to place them on the market satisfy Judge Robson that the stock is for a bona fide oil well. The Black Diamond well is the stock of speculation, but in addition they must not only satisfy the judge but also the public. The certificate is being issued on a sound basis. When this is done the stock will be sold in Manitoba, allowing the stock to be sold in Manitoba. Any oil stock sold by corporations with the object of bringing about unification is legally disposed of.

It was stated at the office of the public utilities commissioner that oil shares were in the same class as mining shares. They come under the "Sales of Shares" act, by which shares, stock or bonds cannot be sold in Manitoba before a certificate is issued to the company by the public utilities commissioner.

## A WONDERFUL CURE OF AN ABSCESS BY Burdock Blood Bitters.

Mr. A. W. Dryden, Amherst, N.S., writes:—"I am going to tell you what Burdock Blood Bitters has done for me. My son 'Vance,' when only nine months old, got an abscess on his cheek bone. I took him to a doctor in St. John, N.B. and he lanced it, and told me it would get well in a few days, and wanted me to keep it squeezed out and not let him get any better, so my wife took him back. The Doctor told her to take him home and it would soon get better. It would gather and break, and it went on that way until he was over four years old.

"He lost four pieces of bone out of where it was lanced, and two pieces came from his mouth; he has lost all of his cheek bone, and his eye was drawn down. I took him to doctors in St. John, Moncton, and Amherst, and all wanted me to let him go under an operation. He was so small I told them that if he was going to die he might as well die as he was as to go there and be cut to pieces, so I declined to have the operation done. I told them I was going to try Burdock Blood Bitters, as I had heard my mother say so much about it. I got a bottle and when it was about half gone noticed it was doing good, and before many days the sore stopped running, and healed up, and the abscess has never broken out again. This happened nearly six years ago, so you can see I have faith in Burdock Blood Bitters, and I can say with all my heart that it is the best blood medicine in the world."

# NEW HAVEN STORY IS UNFOLDED BY ITS EX-PRESIDENT

Mellen Tells Interstate Commission of Gigantic Manipulation and Purchases.

CONFERRED WITH THEN PRESIDENT ROOSEVELT

Colonel Would Countenance No Illegal Action—Advised Approaching Lane.

Washington, May 20.—A story of absolute domination in affairs of the New Haven railroad, the late P. H. Morgan—of the spending of millions in aid and ignorant silence at the command of the powerful financial ruler—was told to the interstate commerce commission yesterday by Charles Mellen, former president of the New Haven. It was the most extraordinary chapter yet unfolded in the commission's inquiry into the alleged exploitation of the great New England road and disappearance of fortunes from its treasury through acquisition of extravagant prices of subsidiary properties.

In Awe of Morgan. Members of the commission, counsel and interested spectators fully hung upon every word of Mr. Mellen yesterday, as his story developed dramatically under the examination by Chief Counsel Polk. The story caused amazement, as Mr. Mellen told how he had sided in awe of Mr. Morgan, because of his comprehensive grasp and perfect knowledge of financial matters, how he had consulted with former President Roosevelt regarding the purchase of the Boston and Maine railroad, how he had prevented the late E. H. Harriman from acquiring the Boston and Maine by getting it himself for the New Haven, and how he had dealt with the late post office inspector Thomas Byrnes, of New York, to obtain the Westchester stock, held by persons whom he assumed to be connected with Tammany Hall.

Roosevelt Conference. Particular interest was aroused by Mr. Mellen's account of his conference with the then president, Col. Roosevelt, respecting the acquisition of the Boston and Maine. He explained that it was a great admirer of Col. Roosevelt and frequently conferred with him on important questions. Col. Roosevelt, according to him, at that conference, according to the testimony, that he was a lawyer, and was not prepared to advise what he should do about the proposed purchase, but on Mr. Mellen's statement of the situation he thought there might be nothing actionable in it. Mr. Mellen added that the president said he could confer with the interstate commerce commission. From Mr. Lane he said he got no expression of opinion.

## NOT IN BETTER POSITION THAN CANADIAN COURT TO JUDGE CASE ON MERITS

London, May 20.—Lord Halsbury's recent intimation that the Privy Council principle would tend to restrict the granting of leave to appeal from the decision of the Canadian courts was explained today in the refusal of application by Geoffrey Lawrence, on behalf of Trudel, the petitioner, who sought an appeal against the supreme court's decision regarding the amount of compensation for land taken for the National Transcontinental railway. Fifteen thousand dollars in amount involved. The government originally offered \$2,000. Considering the land was farm land the exchequer court awarded \$15,000. Maintaining that the land was suitable for building purposes the supreme court reversed the inferior tribunal's decision by a majority of three judges to two.

Lord Moulton: "Why are we likely to be in a better position than the supreme court to decide."

Geoffrey Lawrence submitted that the supreme court did not give due consideration to the court which heard the witness. The supreme court judges, more over, were divided over the facts, he said.

Lord Hamilton: "If they had laid down some principle of law which you thought wrong, it might help your application."

Mr. Lawrence admitted that he was unable to submit that the supreme court did so.

Lord Moulton: "It is clearly a case in which the difference is merely the over-valuation of the land. Some foolish thought it ought to have been worth lower, while others thought your client was rather too little. The decision such as involved here could not effect any future case."

Mr. Lawrence: "If your Lordships are going to lay down that no appeal can be brought on these questions of value matters."

Lord Moulton: "We do not propose to lay down anything. This is purely a question of fact involving no point of law. We certainly have no reason to believe that we are in a better position than the court of Canada to judge the merits."

## DOCTOR AWARDED \$21,750 FOR INJURIES CAUSED IN C.N.R. WRECK

Saskatoon, May 20.—There was mild sensation in the supreme court, presided over by Chief Justice Haultain yesterday, when the jury announced a verdict in favor of Dr. P. G. Macdonald, awarding damages to the extent of \$21,750. In the action brought by him against the C.N.R. for injuries sustained by him when a train of the defendant company jumped the track and plunged through the C.N.R. bridge while the ice-lad bed of the river, swollen by rain, was in flood. Damages were claimed for the amount of \$2,000 for specific injuries and losses arising directly out of the accident and the jury decided that the defendant was entitled to an award of the sum of \$21,750 for the general damage done to him by the injuries and physical disability he had suffered and the business loss occasioned by the nervous breakdown the accident had caused. The case throughout the en-

tire proceedings has been followed by a crowded court with intense interest, and many legal skirmishes concerning points of law featured the proceedings.

## INDIANS LAY CASE WITH POWER COMPANY BEFORE GOVERNMENT

Ottawa, May 20.—Inspector of Indian Affairs Glen Campbell, arrived in the United States yesterday with the story Indians, Little Thunder, Wabing Sturgeon and Running Rabbit. The St. Lawrence Indians have a claim for compensation against the Calgary power company. This company has built a dam on the Bow river in the reserve of the Stoney near Morley. In the construction of the dam the Indians claim damages were done to their holdings in the reserve. They have been unable to secure compensation from the company and have come to Ottawa to place their case before the minister of the interior. They had a conference with Hon. Dr. W. J. Roche today and another conference will be held tomorrow at which it is expected a satisfactory agreement will be reached.

**Pyle-Parish.**  
A quiet church wedding was celebrated yesterday at the first Baptist church at four o'clock when Miss Ivy Mabel Parish, daughter of Mr. and Mrs. W. Parish, of Twenty-seventh street, became the bride of Mr. Francis Pyle of Edmonton.

The bride, who was wearing a hand-embroidered cream lace tunic over white satin, and had of blue with wreath of pink roses, carried a bouquet of white roses and ferns, entered the church on the arm of her father, who gave her away. Miss Edith Parish, who was a white silk crepe costume and brown hat with wreath of roses, attended as best man.

About fifty of the friends of the young people gathered at the church to witness the ceremony, which was performed by Rev. P. W. Patterson. Mr. and Mrs. Pyle will make their home on Twenty-seventh street.

### Acid Stomachs Are Dangerous

Common Sense Advice by a Distinguished Specialist.

"Acid" stomachs are dangerous because acid irritates and inflames the delicate lining of the stomach, thus hindering and preventing the proper action of the stomach, and leading to probably nine-tenths of the cases of stomach trouble from which people suffer. Ordinary medicines and medical treatments are useless in such cases, for they leave the source of the trouble, the acid in the stomach, as dangerous as ever. The acid must be neutralized, and its formation prevented, and the best thing for this purpose is a teaspoonful of Malted Magnesia, a simple antacid taken in a little warm or cold water after eating, which not only neutralizes the acid, but also prevents the fermentation from which acidity is developed. Food which ordinarily causes great distress may be eaten with impunity if the meal is followed with a little Malted Magnesia, which can be obtained from any druggist, and should always be kept handy.

#### Miss Hingston Unable to Accept

Regarding the proposed luncheon to be given by the Women's Canadian club in honor of Miss Hingston, Mrs. Hingston submits the following regrets from her:

"Dear Mrs. Ewing:  
Miss Hingston is in receipt of your most kind invitation to the reception on Friday, and it is with deepest regret she is compelled to ask to be excused. It is nearing the end of an 11 months' tour with constant acting and travelling and Miss Hingston has found it necessary to deny herself all social pleasures in order to conserve her strength to give her performances.

It is most gracious of the Women's Canadian club to extend this invitation, and it is with the greatest reluctance she feels it imperative to decline. With thanks and sincere appreciation, I am most cordially yours,

(Signed) E. J. BOWEN.

#### Edmonton Choral Union

Tickets will be issued to each member at 8:15 p.m., at south entrance to Auditorium.

#### AN EDITOR'S QUESTION AND REPLY.

**How About It, Little Girl?**

You've a very narrow skirt,  
Little girl.  
Are you sure it doesn't hurt,  
Little girl?  
That's a mincing little stride  
Where the street is wild and wide;  
Are you sure your room inside,  
Little girl?

What will happen if you slip,  
Little girl?  
Aren't you fearful it will rip,  
Little girl?

You had better take a sack,  
So if anything should crack,  
It will sew you coming back,  
Little girl.

Does your mama know you're out,  
Little girl?

We're afraid to go about,  
Little girl.  
If we meet you in the sun  
With your skirt so thinly spun,  
Why, we might all have to run,  
Little girl.

Let the bottom out a bit,  
Little girl.  
It is much too tight a fit,  
Little girl.

As the matter really stands,  
You'll be walking on your hands,  
And in that event—my lands!  
Little girl.

#### Retort Courteously by the Little Girl.

You're mistaken in my skirt,  
Little man.  
No, it doesn't hurt.  
Little man.  
I can take a good big stride  
As the coat on the editor's side,  
And there's lots of room inside,  
Little man.

You seem to fear lest I should slip,  
Little man.  
Let me give you just one tip,  
Little man—  
If my skirt was half as slack,  
As the coat on the editor's back,  
I would surely buy a sack,  
Little man.

Yes, my folks are well aware,  
Little man,  
That I dress with greatest care,  
Little man.  
Please allow this sage advice:  
Get your own clothes made just right,  
Least folks like you are not bright,  
Little man.

Letting out the bottom, soon,  
Little man,  
Would not solve your problem,  
Little man.  
You may run a paper right,  
But on "skirts" you are a fright,  
Please, just read your cue advice,  
Little man.

It is stated that typhoid and typhus, which in past years had appeared on Prague frequently in epidemic form, have been practically stamped out with the installation of sewerage and water systems, according to the latest scientific methods.

## THIS MORNING AT THE MUSICAL FESTIVAL

The Slight Singing competition was won by Dr. Baga, with 80 marks to his credit. Mrs. Montgomery of Wetaskiwin was awarded second place with a 78 point score.

The highest score for slight playing, 75, was won by Miss Bladell, who was disqualified on account of being a professional, and Miss Hilda Evans, south side with a score of 77 was awarded the competition. Miss Lillian Taylor was awarded second place, 72 marks.

The same as above was true of the slight accompaniment score, which was awarded to Miss Evans, with 77 marks to her credit. Miss Bladell again being disqualified as a professional.

In the mass quartette competition, the Oxfonians of Edmonton, vanquished the Calgary quartettes with a score of 80 winning first place. "The Wanderers" of Calgary being awarded second place in this class, with a score of 72 points.

Calgary musicians, 45 strong, came in on this morning's train and are domiciled at the Strathcona Hotel. They will take an active part in this afternoon's and tomorrow's competition. They are under the direction of Mr. A. P. Howell. Only two ladies are in the party, Miss Mundy and Miss Howel.

There are three male quartettes in this aggregation, all made up from the choir, which will compete tomorrow. Those composing the "Wanderers" being Messrs. O. E. and E. E. Thomas, four Williams and W. Garner.

**Musical Festival Awards Tuesday.**  
Gold medals—Miss Helen Hunt, (Highlands) violin soloist. Mrs. H. Montgomery (Wetaskiwin), soprano soloist. Miss Laura McMullen (city), contralto soloist.

Prize medals—Mrs. A. McLean and H. G. Turner, soprano and tenor duet. Mrs. Clarkson and Mr. Lansdown, contralto and baritone duet.

Shields—Edmonton Choral Union (Herbert Wilde), the cross shield; All Saints Church (Vernon Harford), McManara shield; Westminster Presbyterian church choir (E. J. Engleston), Strathcona shield; St. Faith's Anglican choir, (M. Samuels), short shield.

Other awards—Master Harry Gurevitch, Junior violin competition; Miss Louise Meyer, Junior piano competition; Miss Alma Lecker, open piano competition.

**Musical Festival Competition**  
That a very high standard is being set for this year's events at the musical festival is attested by the commendation of the adjudicators, Dr. C. S. Vogt and Mr. W. H. Hewlett, who state that they have been both astonished and pleased at the very high standard which has been reached along musical lines both in church and individual work.

The church auditorium was well filled at yesterday afternoon's competitions and last evening, notwithstanding the very inclement weather, fully 600 people listened to the church choir and choral competitions.

The open piano competition in which there were nine competitors, was awarded to Miss Alma Lecker, one of Mr. V. P. Hunt's pupils, with a score of 72 points, and Miss Edith Davison, second place, with 70 marks, and Miss Margaret Wilson, south side, 69 marks.

In commenting on the awards, Mr. Hewlett stated that none of the contestants, having reached the gold medal standard, which requires 75, a gold medal will be awarded in this class.

In the vocal classes but few competitors had entered for same, there being five entrants in the contralto class, the first place in this class was awarded to Miss Laura McMullen, a pupil of Mr. Hendra's with a score of 75 marks.

**SINGS TOMORROW AT AUDITORIUM**  
She was nine years old, singing "Twinkle, Twinkle, Little Star," to a section of the 40,000 G.A.R. veterans assembled there. Even then the mysterious power to please an audience was evident. The little child-song being received with enthusiasm and frequent encores. This power is still with her, and the child voice has developed naturally into one which, while of great volume, is at the same time clear, sweet and magnetic. Since her childhood, she has persistently cultivated this voice. Her musical teacher, Dr. Deland, at the Chevy Chase school, Washington, D.C., was the first to predict great things for her. At Ottawa, she sang before Lillian Nordica, with the object of obtaining an unquestionable opinion of her voice. Madame Nordica complimented her most highly and said that there was no height she could not attain by perseverance and study. Miss Davies was secretary of the Edmonton Vocal club at that time. She left Edmonton, taking a season's course in the Toronto Conservatory, but recognizing the greater opportunities of the larger city, she arranged for study in New York, under the tutelage of Madame Tarnopolska. This was extended to two seasons, the last being a revelation in respect of its success from a singer's standpoint. In New York she had been admitted as a member of the Musical League, an honor which is not attainable except by musical people of the slightest merit. It is a practical honor, too, as it means preference in professional engagements. Her career is only at its beginning, but the fact that she has been thus, unaided, to make an impression on the music world of New York, speaks volumes for her at Edmonton.

Miss Penelope Davies.

Miss Penelope Davies, who will make her first local appearance since returning from three years' study in the east at the weekly luncheon of the Edmonton Industrial association in the Empire auditorium tomorrow at 12 o'clock, possesses a voice that won glowing praise from the late Madame Nordica when she visited this city in 1911. Miss Davies captivated her first audience at St. Paul, Minnesota, when

50 points. Second place was awarded to Mrs. Shibley, south side, a member of Holy Trinity choir, with 75 marks to her credit. This competition was very close, and was decided after a discussion. Dr. Vogt, stated on the artistic interpretation of the competitor, who won first place by the close margin of one point.

#### Gold Medal Goes to Wetaskiwin

Our sister city, Wetaskiwin, was well represented in the soprano solo class and was given first place with a score of 76 points which carried the gold medal with it, the third awarded at this year's festival. Mrs. H. Montgomery of Wetaskiwin, being the successful competitor. Second place was awarded to Miss Lillian Clins of this city with 75 marks to her credit.

Other successful vocalists in yesterday's afternoon contests were: Mrs. A. McLean, and Mr. H. G. Turner, who were awarded the silver medal for the soprano and tenor duet, receiving 76 points, with Miss Hamilton and Mr. Lansdown, second in place. Mrs. Clarkson and Mr. Leckow were awarded the contralto and baritone duet competition with a score of 72 points.

The evening choral competition elicited warm praise for their excellent work from the adjudicators, as well as for high standard set.

Perhaps the greatest surprise of these contests was the Edmonton Choral Union, which was led by Mr. Herbert Wilde, which won the Cross shield, from the Strathcona choral union, which was led by holders of the shield for some time and are trained veterans in choral work. The respective scores were 75 and 72 points. The slight difference of one point was conceded the Choral Union on the artistic rendering of the selection.

The new McManara shield for large choirs was carried off by All Saints under the leadership of Mr. Vernon Harford. This was expected, as All Saints have long held first place in the ranks of singers in this city, and as usual, are again victors. Their rendering of Lloyd's setting of "Art Thou Wary?" which they were a finished work of musical productions, won pleasing commendation from the judges. The scores were: All Saints, 81; First Presbyterian, 76; West, conductor, 76; and McLaughlin, Mr. V. P. Hunt conductor, 72.

St. Faith's Anglican choir, under the direction of Mr. Samuels, was awarded the Short shield, with a score of 80 marks. The entries in the "small choir" class, were also Christ church choir, led by Mr. Claude Hughes, with a score of 74 points, and Baptist Methodist church choir, with a score of 72 marks.

Westminster Presbyterian choir, under the leadership of Mr. E. J. Engleston, was awarded the Strathcona shield for intermediate choirs, with the high score of 85 points. This competition is between choirs which number up to twenty-five voices.

Other choirs in this class were Holy Trinity, south side, led by Mr. William Shibley, with a score of 83; St. Paul's choir, leader Mr. Cyril Waltes, with a score of 75 points; Robertson Presbyterian church choir, leader Mr. Herbert Wilde, 75 points; and the Metropolitan Methodist church choir, south side, leader Mr. Priestly, with a score of 74.

The competitions, as will be seen, were remarkably close, and the scores the highest awarded yesterday.

### Y.M.C.A. APPEALING FOR TEN THOUSAND TO CARRY ON WORK

Last night at a meeting held in the Y. M. C. A. Building an organization was completed in connection with a canvas for \$10,000 required by the local association to meet certain obligations and to make possible a larger program of work in the city of Edmonton. The above amount includes \$4000 due on mortgage, \$2500 bank indebtedness, \$5000 current account, including a secretary for work with the students and extension work in Canada.

The following are now working in pairs to secure funds and others are to be appointed today:  
Dr. H. H. Smith and E. N. Hatchard; C. E. Race and M. R. Hay; T. M. Turnbull and C. Gallinger; H. H. Hull and C. J. Casely; A. E. Nickerson and F. Coulter; J. E. Bagley and W. W. Hutton; S. Ash and A. Chow; Prof. J. M. Smith and E. N. Hatchard; B. McLeod and G. S. Armstrong; A. H. Appleton and G. McDonald; W. W. Chown and S. J. M. Moppin; A. J. Davidson and A. L. Marter; G. D. Martini and M. McCall.

Western Secretary H. Ballantyne was present at last night's meeting and addressed the workers briefly and also helped in completing the organization. Citizens are expected to respond heartily to this appeal on behalf of the splendid work the institution is doing in Edmonton.

### WESTMINSTER CHURCH YOUNG PEOPLE HAVE INTER-SEX DEBATE

At the regular meeting of the Young People's society of Westminster church on Monday evening the important event was a debate, resolved that woman has done more for the advancement of humanity than man. The affirmative was supported by Miss McDonald and Miss May and the negative by Mr. Hurley and Mr. Scott. The addresses by both sides were splendid and very instructive. The debate was put up a very good case, the judges decided in favor of the affirmative. Mr. Marlow acted as critic and the judges were Miss Dickie, Miss Smith and R. J. Gillis. At the next regular meeting the series of studies in Tennyson's "Idylls of the King" will be continued by the pastor, Rev. D. N. McLachlan.

#### EDMONTON BOY WINNER AT HARVARD-ANDOVER MEET.

Donald G. Bradley, son of Mr. and Mrs. C. H. Bradley of this city, won the mile run at the recent Harvard-Andover annual athletic meet, the first of the season, in a sensational race, the time, being 4 minutes 41.4 seconds.

In points on the day's sports the Boston Globe says: "The most sensational event of the meet was the mile run between Bradley of Andover and Cook of Harvard, the criterion being in the lead up to within ten yards of the goal, when Bradley flashed ahead and crossed the goal in the lead, making the run in 4:41.4ths." Young Bradley, who is a senior of Andover, is taking an active part this year in athletics, being entered for events at the athletic meet of his college with Worcester last week and at the Everset event of this week, all of which will be watched with interest by his friends in this city, who are much gratified that the honor of the Alberta Capital should be so well upheld in eastern college events.

#### QUEEN MARY FINDS FEW WILLING JOIN HER SEWING PARTY

London, May 29.—According to a story being circulated here, Queen Mary recently attempted to organize a series of sewing parties at Buckingham palace for the making of clothes for distribution among sufferers from the earthquake in Sicily.

The sewing parties were to be held every Monday afternoon. Unfortunately, it is asserted the attractions of the London season were too strong, out of 16 women of the royal household who were asked to join the circle 15 made excuses, and of 23 women outside the royal household, who were approached, the Duchess of Roxburgh and one other were the only two who agreed to participate. In the sewing circle Queen Mary therefore, it is asserted, abandoned the idea.

Edinburgh, Scotland, last year sent the United States \$19,118 worth of glue.

### Winning Models in the Recent International Hairdressers Competition

**Beautiful Women Use and Recommend Newbro's Herpicide**

A woman to be pretty must have pretty hair. There is a subtle charm about beautiful hair that lends more to personal adornment than all of the skill of all of the "beauty doctors" combined. The hair need not be of extraordinary or abnormal length, but it must have that distinctiveness of appearance that comes from intelligent care, and is the result of perfect hair health.

The most cultured ladies in every community use Newbro's Herpicide, and when you see a head of hair that gleams with beauty and is radiant with life, it is a fairly good indication that Newbro's Herpicide has been used.

Newbro's Herpicide is the Original Germ-Remedy for dandruff. It eradicates this trouble and stops falling hair. It is the first real scalp prophylactic. A delightful and refreshing hair dressing. Stops itching of the scalp almost instantly.

**SATISFACTION GUARANTEED**  
Send 10 cents in stamps to THE HERPICIDE COMPANY, Dept. 111B, Windsor, Ont., for sample. Two sizes—50c and \$1.00. At All Toilet Goods Counters. When you call for HERPICIDE, do not accept a substitute. APPLICATIONS AT PROMINENT BARBER SHOPS.

## Theatres and Picture Shows

### EDMONTON NEWSBOYS TO ATTEND PANTAGES FRIDAY THIS WEEK

Friday night is newsboys' night at Pantages theater and all the little men who take care of the distribution of Edmonton's three great dailies will be the guests of Manager L. C. Gill at the evening performance.

The bill presented this week is an especially pleasing one. Headlined by little Hip and Napoleon, kings of animal entertainers, who have charmed audiences both young and old throughout Europe and America, an unusual amount of variety is offered. It was the intention of the management to have the newsboys attend the theater during the celebration of the house's first year in Edmonton, last week, but with the coming of little Hip and Napoleon and the knowledge of their extreme popularity with the children, as well as the old people, the date was changed to Friday of this week.

The Alpha troupe, a quartette of unusually clever hoop rollers, is another strong card on the bill. The troupe does some wonderful and almost

unbelievable things with those round bits of wood, making them walk a three-wire tight wire, go around in circles to a designated spot, etc. Calloway and Roberts offer a "Coun Town Wrangle," which has a wealth of pictures of more than usual cleverness, play on a variety of instruments with pleasing harmony.

Harvey and Barron, offering "After the Reception," are the limit in the comedy rules. The usual funny reel of pictures closes the bill.

### "KING RENE'S DAUGHTER" MASTER PRODUCTION IS SHOWING AT THE BIJOU

"One of the most beautiful photo-dramas ever exhibited on the screen," are the opening words of one of the most critical of motion picture reviewers writing his comments on the three reel feature, "King Rene's Daughter," that comes to the Bijou today and tomorrow, in an extraordinary engagement.

Mr. Lazza in speaking of this picture to a representative of this newspaper had this to say in respect to it: "I have been negotiating for this wonderful photo-play for many months, and while on my trip east, I personally saw it that it would come to Edmonton and be exhibited to the people so that they could see one of the really brilliant picture plays presented by a brilliant picture star. It is a film of this class that I am striving hard to show at the Bijou and I believe that the people of Edmonton appreciate this for our patronage has been of the kind and number that encourages me much in my efforts."

Maude Fealy plays the title role and is said to play her greatest charm, her fine understanding of the character portrayed furnishes an intellectual delight to those who enjoy the more delicate phases of acting. In fact "King Rene's Daughter," is the master production that perhaps more than other film has fired Miss Fealy's star firmly in the firmament of moving picture stars, with the same brilliancy as she shown in the "legitimate" stage. There will be no increase of prices

for this production. It will show for today and Thursday only.

As an additional feature to this program will be shown the 14th chapter of the famous Mutual Girl series. She is shown through one of the biggest and latest of the modern type battleships and the audience will see with her many features of a modern cruiser that otherwise they would never again, perhaps, have the opportunity to see. The whole film will be concerned with the trip to this battleship.

### "IRON AND STEEL" IS STRONG CHARACTER PLAY AT THE EMPRESS THEATER

The beautiful Empress theater continues to give to the people of the city of Edmonton the finest of the great photoplay productions amid surroundings of the most congenial and attractive kind, accompanied by music that has hardly been excelled in the annals of local playhouses, picture or otherwise. That these advantages have been appreciated one can easily convince himself of by any night visiting this spacious and pretty theater and see the large and satisfied throngs that attend for an evening's pleasure. Regular patrons of the Empress are the highest and every degree of people of the city. Each man and secure the same maximum of enjoyment out of the films that are shown on the screen as it seems, is secured from witnessing many of the great theatrical productions that visit the city.

Recently the Empress installed an orchestra made up of an especially picked number of musicians. Each man himself a soloist and together they render musical selections that are genuine treats to those who delight in listening to music of a superior grade. In addition there is the large pipe organ that is in the hands of a very accomplished artist, and the many appropriate opportunities that present themselves for effective accompaniment on this instrument add greatly to the pleasure of the picture and the getting across of the story that is told on the screen.

The program of today and tomorrow is typical of the class of films that are shown at the Empress. Maurice Costello, the greatly popular picture player of the movies will star in the feature "Iron and Steel," a character play and the production is a strong dramatization. In addition there will be a number of other very pleasing reels to round out a full evening of wholesome entertainment and instruction.

K. P. Lodge to Meet.  
The regular meeting of Capital City Lodge No. 4, Knights of Pythias, will be held in the Castle hall, Norwood block, this evening, at eight sharp. Important business is to be transacted and a full attendance is requested.

### AMERICAN GOLFERS WIN THEIR GAMES IN TOURNAMENT

Sandwich, Eng., May 20.—Fraser Hale of Chicago was the only American to suffer defeat in the second round of the play for the British amateur golf championship. Chas. W. Evans, Jr., of Chicago, the ex-open champion of the west, Harold Weber of Toledo and Arthur G. Lockwood, Belmont Springs, Mass., defeated their opponents.

As Francis Ouimet, Woodland Golf club, Massachusetts, open American champion, and Frederick Herreshoff, New York, did not compete today, there still remain five of the ten American entrants to continue the struggle. Hale was put out by Ivo Whitton, the Australian champion, by four up and three to play. Whitton played almost faultless golf, reaching the turn in 37, as D. Evans in match.

Evans met a high-class player in Carl Brutton of Hanau, who defeated Jerome D. Travers. Ouimet and Herreshoff will play in the second round today, and if they win they will also play in the third round today. Evans will meet Scott of Park Langley; Weber will play Carlisle of Sunningdale, and Lockwood will meet Hayling of Epsom. Ouimet and Herreshoff will have as their opponents Tubbs of Little Stone and Platt, of the Royal North Devon respectively.

Eadale Press vs. S.O.E.  
The following members of the Eadale Press team are requested to meet at the old exhibition grounds this evening at 6:30 for a match with the Sons of England: Neal, H. Smith, S. Smith, Quayle, Anderson, Bainbridge, Warren, McCallum, Holton, Mitchell, Conner, Rice, Brown, Turpin and Green. Kick-off at 6:30 p.m.

Jewel Rebekah Lodge.  
Jewel Rebekah lodge, No. 25, will hold its regular meeting tomorrow night at eight. At 7:15 the degree team will assemble for practice.

## WHEAT CITY STABLES ARE WELL REPRESENTED AT RACE MEET

T. B. Cummings Has Fine String at Exhibition Grounds—Rusky Coat, Prince Rupert, Dornie, Imperial Princess, Hermia, Cole and Others Ready for Opening of Circuit.

Pride of T. B. Cummings' heart is the string of the Wheat City stables. "Tommy" Cummings enjoys a rather unique distinction in that he buys his own horses, trains his own horses, and rides his own horses, and looking over the string it is easily understood why he wants to keep all the pleasure to himself.

Rusky Coat, winner of the President's Handicap last year, is a handsome brown animal, nearing perfection in conformation. But Rusky Coat is too well known in Edmonton to need any description. When at three years old she started in her first race the odds were 100 to 1 against her; these were reduced to 6 to 5 on her second appearance. "Rusky Coat" is famous all over the west, and a favorite wherever she goes.

Prince Rupert has 75 victories to his credit in his four years' racing. Every year the Derby has been run in Edmonton Prince Rupert has been the winner. Bred in Manitoba, Prince Rupert is a good Canadian, fast, true, and a consistent race, staying with the race every time till the wire is won. Though it is not officially known, Prince Rupert is owned by the world's record at 2:10.3-4 on the Edmonton track, making a mark of 2:10 flat over a half mile track. Little wonder Tommy Cummings likes to ride his horses!

Horse Show visitors will remember Dornie, the bay thoroughbred mare, winner of first prize and championship at the recent Horse Show. Many of her admirers did not know that

Dornie is not altogether a show horse. Last year she won 21 races, and this year promises to win many more. Dornie is a perfect type of thoroughbred, and naturally a consistent race. Living up to her reputation won on the show ring. Dornie is Australian bred, sired by Bulfinch.

Imperial Princess, sired by Dick Wells, has a working record of a half mile in .56 at two years. She is four years old now, and will be started this year, after a year's absence from the race tracks.

Hermia, winner of the three-year-old stake last year, is also included in the Wheat City string. Hermia's father, Sir Huon, won the Kentucky Derby.

Prince Phillisthorpe, another Canadian bred horse, sired by Wabothorpe, Prince Phillisthorpe is of somewhat an antagonistic nature, looking on his victors with a suspicious eye—nevertheless a keen, true eye on the race tracks, where he forgets his grievances in making for the wire, and last year won five races.

Cole, a light chestnut horse sired by The Regent, is owned by the Campbell Realty Co. of Winnipeg, and included in the Wheat City string. Cole is a promising green horse.

Neville, owned by the Capital City stables, and has something to brag about. Neville bred June one year, and that time on the Edmonton track last year. She also won the novelty race at the summer meet.

## WALTER JOHNSON DENIES REPORT TO JOIN FEDERALS

Washington, May 20.—Walter Johnson, famous pitcher of the Washington Americans, Catcher Al Smith and Outfielder Milan last night flatly denied that he had agreed to sign with the Pittsburgh Federals at the end of the present season. All three players declared they never heard of such a proposition and authorized the statement that they would not play with the Federals "under any circumstances." Manager Griffith did not take the report seriously, accepting the word of the players that it was untrue.

## MOOSE JAW SIGNS NEW PLAYERS TO STRENGTHEN TEAM

MOOSE JAW, May 20.—In an effort to strengthen up his forces, Mr. Weed of the Moose Jaw team signed Pitcher Wehr and Bollenberger, formerly of Regina, and sent the transportation to Pitcher Brown at San Francisco. Brown was last year pitcher and utility man with Medicine Hat. Pitcher Cann has been released and expects to land with Peoria, Ill. Catcher Remmer has also been let out, while other blue envelopes are expected to be shipped other members of the team in a day or so.

Pitcher Cadreau, of the Quakers, was fined \$5 by Umpire Becker for rushing from the bench and using obscene language while disputing a decision in yesterday's game.

Local Baseball Team. Local Public School baseball team are anxious for a game with Edmonton team. Address secretary, J. Baker.

## BRONCHOS WIN LUCKY GAME 3-2

But For Errors, Medicine Hat Would Have Won Yesterday's Game.

Calgary, May 20.—Thompson's single to left in the eighth decided yesterday's game against Medicine Hat. The score was tied at the time and the timely swing scored Larry Piper, making the score read 3 to 2.

Lind and Oase engaged in a great pitching duel, and were given spectacular support. The Bronchos in Calgary and all the breaks went to the lucky team. Each team secured eight hits.

Holman's error in the first inning was very expensive for Medicine Hat's drive to go, between his legs the visitors would have won the game.

In the inning Calgary scored two runs. Piper the first man up singled, was advanced to second by Reynold's sacrifice, and then Holman allowed Reynold's drive to go, between his legs the visitors would have won the game.

Later Piper scored the winning run. Grant hit a two bagger scoring Reams.

Medicine Hat evened things up by scoring two runs, one in the third and one in the seventh. Calgary won the game in the eighth.

In this inning a decision by Umpire Colgate played a very important part. Piper was on first base on a single. Reynold intended to sacrifice him to second. He offered at the ball, and it bounded out of his glove. Neither Bliss or Lind appeared to be in any hurry to pick it up and Piper stole second standing up. Bliss claimed that it was a foul tip and for that reason did not try to get it, but the umpire decided otherwise.

Later Piper scored the winning run. Medicine Hat . . . 601 600 100 2-3-1

Calgary . . . 200 000 010 3-2-1

Lind and Bliss; Gage and Jones.

Edmonton Walsh vs. S.O.S.

The following players have been elected to represent the Edmonton Walsh in the game against the Sons of Scotland on the south side grounds Thursday evening, and are asked to meet opposite the City Dairy between 6:15 and 6:30: Stokton, Nichols, Palmer, Ellis, Jones, Lewis, Markle, James, McChesley, Griffiths, Brunetti, Phillips, Rossier, Thompson, Stead and Paton. Kick-off at 7 p.m.

Baseball Today's P.M.

Yesterday's game with the Red Sox was off on account of wet grounds, but the teams will play tonight at 6 o'clock.

Edmonds now rest in third place in the league standing.

## TUESDAY'S MAJOR LEAGUE RESULTS

Washington, May 20.—(American)—Washington made it three straight from Cleveland yesterday, winning 4 to 2, through faster fielding and better base running.

Boston, May 20.—(American)—The Red Sox took the third straight game from the league leaders yesterday, 4 to 1. Added somewhat by errors, Boston gathered most of its runs while Dubuc was pitching, breaking his string of five straight wins.

Philadelphia, May 20.—(American)—Clocette pitched in wonderful form yesterday and Chicago shut out Philadelphia 2 to 0. Melmus, who singled with one out in the eighth, was the only home player to reach first. Clocette was given perfect support, Chase handling the only difficult chance offered by the home players. Only four balls were knocked to Chicago outfielders.

New York, May 20.—(American)—Hamilton held New York to five scattered hits here yesterday and St. Louis shut out the Yankees 3 to 0.

Cincinnati, May 20.—(National)—Davenport's wildness enabled New York to win the third game of the series from Cincinnati, 5 to 2. Matthews for New York kept the hits well scattered except in the fourth, when two singles and a double gave Cincinnati its two runs.

Pittsburgh, May 20.—(National)—Pittsburgh broke its losing streak after dropping six straight games, by beating Boston yesterday, 7 to 5.

St. Louis, May 20.—(National)—St. Louis pounded Brooklyn pitchers hard yesterday and won its fourth victory. The score was 6 to 2.

Chicago, May 20.—(National)—Frank Schulte battled for Lavender in the seventh and delivered a triple which virtually cut Philadelphia the game yesterday. The final score was 6 to 1.

Philadelphia, May 20.—(Federal)—Pitcher Brennan allowed Pittsburgh but three hits yesterday and Chicago won 4 to 6. Dickson pitched excellent ball, but was given rugged support.

Baltimore, May 20.—(Federal)—Baltimore took a second game from Kansas City, 7 to 2. Suggs kept the visitors' hits scattered after the first inning, but Callop was wild throughout.

## ROBIN HOODS AND QUAKERS PLAY TO TIE, 3-3, YESTERDAY

Nine Inning Battle Was Dull Spectacle—Pitcher Cann Got Canned.

MOOSE JAW, May 20.—The Robin Hoods and Quakers played nine innings to a tie here last night umpire Becker calling the game on account of darkness with the score 3-3. It was a very good game, played on a muddy field, and had the locals taken advantage of their chances, they might have won. They had ten men left stranded and on one occasion there were three on bases and but one out, but the pinch hit was not forthcoming.

Harrah and Northrop were the opposing pitchers. The local man was not working any too well and after six hits and three runs had been scored off him in four innings, Weed sent in Bollenberger, a man whom the Red Sox released, and he held the Quakers runnerless for the other five innings.

The Quakers scored two in the third on singles by Walters and Northrop and a single by Harley. They got the other one in the fourth on Harrah's three bagger, and Cann's single.

Moose Jaw got in the first on Grever's error and another single by Whitson and Price. One in the fifth on a base on balls to Seaton, Whitson's sacrifice and Phil's clutching two bagger, and one in the sixth on Northrop's wildness when he let Weed single hit O'Day and walked Seaton and Whitson forcing in a run.

The Millers yesterday released pitcher Cann and signed pitchers Wehr and Bollenberger, released by Regina.

THE SCORE: Moose Jaw . . . 100 011 600 3-4-0. Saskatoon . . . 002 000 000 2-1-2.

Equals Hurdle Record.

State College, Pa., May 20.—Hammitt, a sophomore, equalled the world's record in the 120 yard hurdle event here yesterday in the inter-class field meet, covering the distance in 15-1-5 seconds.

## OVER 200 RACE HORSES STABLED FOR SPRING MEET

More than two hundred racing horses are now stabled on the exhibition grounds, and horsemen state that these are the finest racing horses ever gathered together in Western Canada. Every day brings new contingents, and everything promises a race meet far beyond any hitherto held in Alberta.

When Jockey Dave Weber heard the call of the north he could remain away no longer, so turned his back on his native Montana, where he has ridden many horses to victory, and returned to Edmonton. Weber will ride free lance at the spring race meet. Though he has been absent some time, Jockey Weber has not been forgotten, and his friends will be on hand to greet him at the races.

Maggie R, the pacing mare owned by Geo. Porter of this city, doesn't know whether to be proud or her record of 2:19.1-4, or her four-week-old colt, but incline to the latter, and not without reason. The colt is a little beauty, chestnut in color, splendidly formed, with clean, slender legs, he promises to break the record of his father, Hal McKinney, of 2:16.1-4 time. The little fellow is making an early acquaintance with racing environment, stabled on the exhibition grounds with runners to right of him, peers to left of him, races every way he turns, and takes it all as calmly as though he were justifying in a quiet dandelion dotted meadow, where records were never heard of.

Merry Direct holds the world's record for five miles over ice, paced in 12 minutes 27.1-2 seconds. No other description of his staying powers is needed. As one would naturally infer from this record, Merry Direct is a strong, up-standing horse, bay in color, he is a remarkably handsome animal. Merry Direct has raced for two years on the turf, and last year won second money in the \$5,000 stake at Edmonton.

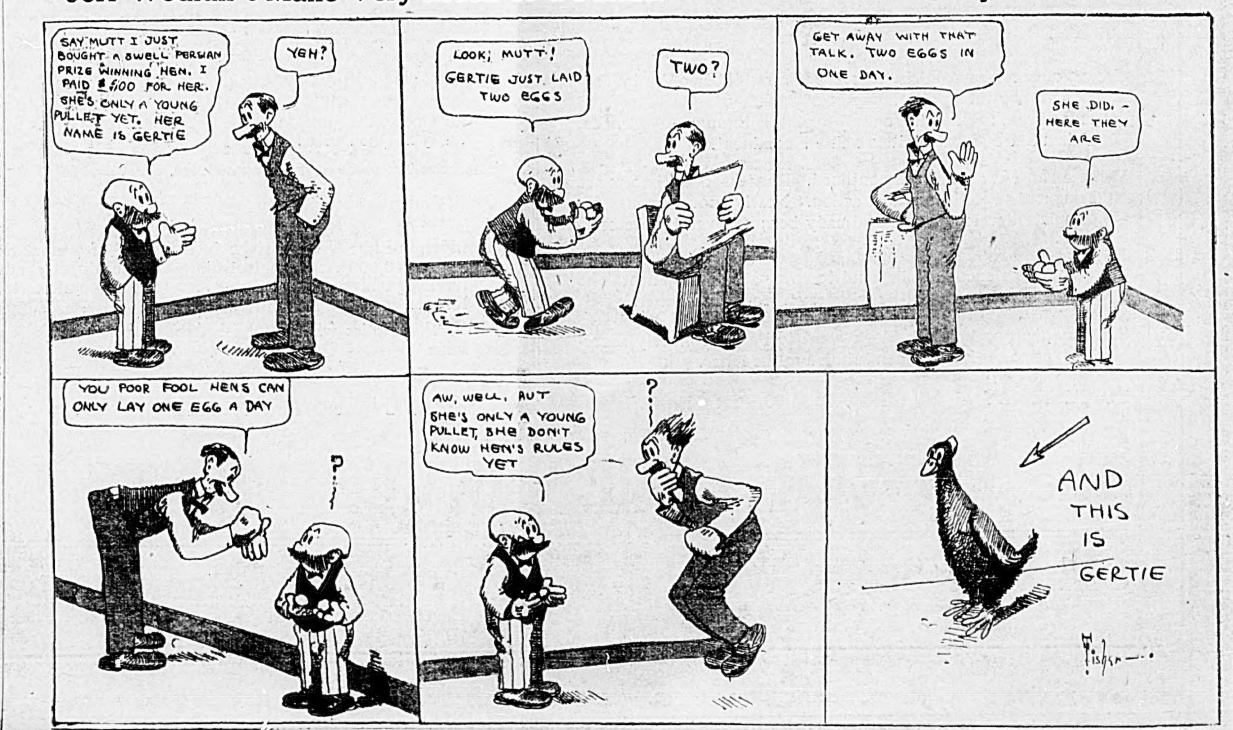

Helen Bay is the stable companion of Merry Direct in the string of T. B. Smith, Calgary. Helen Bay is a green trotter who had a mark of 1:16.1-4 as a pacer, but is being "converted" and will pace the track no more, but endeavor to establish a record for herself as a trotter.

J. Osborne of Edmonton South's has two running horses training for the races. Ruby H, a bay five-year-old, ran her first race in Edmonton on May 24 last year, and has been five-eighths of a mile in 1:05. Moss Rose won all the two year futures two years ago, excepting one in Regina. Moss Rose has increased in weight 150 lbs. since last year, but this is no detriment to her speed. She recently worked three-quarters of a mile in 1:23.

Tipping, owned by Wm. McDonald of Calgary, boasts of having been raised by Jas. R. Keen, one of the most famous race horse men in the United States—a man whose judgment in the matter of races was unquestioned. Tipping is a dark brown mare, slightly dappled. She promises to lower her record of two years ago when she won a number of races at two year old.

My Joe and My Double are two promising two-year-olds in the same stable.
